SMR-350

SLITTER/MATRIX REMOVER

SMR-350 Slitter & Matrix Remover

Slit, remove matrix, and rewind labels in-house for easy application

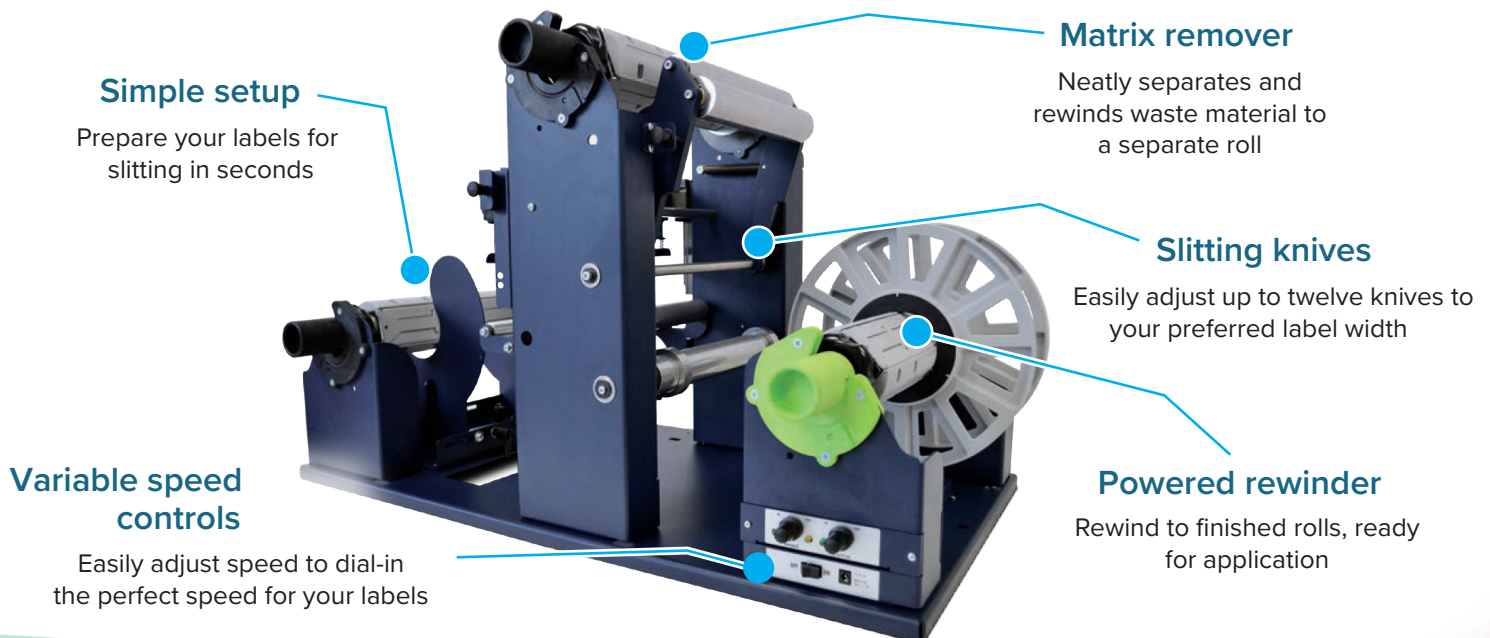

The SMR-350 Slitter / Matrix Remover & Rewinder longitudinally slits full-width, pre-cut label stock, so you can use your label printer's full width and maximize its output. In-house printing and slitting also enables marketing flexibility, and encourages return on investment. The SMR-350 matrix removal and slitting operations can be performed simultaneously or separately, depending on your needs.

Key Features

- ✓ Produce professional, full-bleed labels
- ✓ Create labels from 0.87–13.77" wide
